Applicant : Shuk-Mei Ho et al.

Art Unit : 1744

Serial No. : 10/033,024

Examiner : Unknown

Filed : October 31, 2001

Title : APOPTOSIS-INDUCING RIBOZYMES

BOX MISSING PARTS

U.S. Patent and Trademark Office

VERIFIED STATEMENT UNDER 37 CFR §1.821(f)

I, Jennifer H. Payne, declare that I personally prepared the paper and the computer-readable copy of the Sequence Listing filed herewith for the above-identified application and that the content of both is the same.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of The United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
